Languages

I'm a native speaker of Turkish and near-native in English and French. I can get by increasingly in German and Dutch, and decreasingly in Spanish and Italian. I've taken more than one term of Russian and ASL and can decipher Greek and Latin with the help of a dictionary. I've worked first hand on Akan, Somali, Yalálag Zapotec, and Haitian Creole, and in collaboration on Kipsigis, Laz, and Samoan.
